SANT JORDI TROPHY

There was an administration error at the May event (caused by an error on the scorecard) and the Trophy which was originally given to Michael Robson was presented to David English. I tried every argument to keep the trophy in Michaels Hands, but finally we agreed that his card had been incorrectly marked (by me) and after this card was presented with two incorrectly marked holes, we had to follow the rules of Golf and award the prize to the deserved (and taking into account the real scores) winner, David English. Congratulations to him for his tremendous effort. See the presentation photo below.

Unfortunately I was unable to make the June event but there was Cox Representation in Jr (Marc) who made a great effort finishing in 4th spot after the late presentation of a card. The Newsletter will therefore be a little shorter than usual as there will be another when we get back from Scotland

THE RULES SO FAR AS SCORECARDS ARE CONCERNED

We need to clarify the situation on Scorecards from this point forth. It is your responsibility to ensure that your card is completed correctly.

- From July onwards you must indicate the score of the player you are marking, the net score and the Stableford points for the hole. At the end of the round your card MUST be

completed with all this data and the total points indicated in the box designated for this function

- The card MUST be handed in to the Scorer and placed in the box provided before this is removed for evaluation of the cards.
- All cards must be signed by both Marker and Player.
- Any Card not placed in the box on time MUST be handed directly to the Administration office next to the Caddy Master / Buggy garage.
- Any card not handed in under these conditions will NOT be considered as valid and will not count towards the final classification nor Order of Merit total.

Results for the June Event

Category A (Handicap 0-17.9)

A hard fought battle which was won by a Par score off a 16 handicap by a new boy in the crowd, young Graham Nash took the 'pennies' and advantage of the missing talent. 50 points has taken him well up the order of Merit Table. Clearly he was a happy man when he presented the Sant Jordi Trophy prize to David as second on the Table is a good position to be in with half the season now completed. Second place went to Juan Sanllehy with 34 points. Juan moves well up the Order of Merit to 20th. Third was Oligario Garcia with 33. Well done to all of you....All I can say is make hay while the sun shines as I foresee some 'cloudy times' for all of you In the coming months.

Category B (Handicap 18 and above)

There was some seriously good golf played in Category B. 40 points took top spot and this was done by Ricardo Ferrer who played to a 15 handicap in the sweltering conditions. There were a lot of 4's on the card and Ricardo must have been really satisfied with his round. Well done and a deserved top spot. Second was German Alarte with 35 points and a 14 over total followed by Roy Waters also on 35 but with a higher handicap. Nice going all of you... The Category B Order of Merit as now as follows:

Joke of the month

Two Red Indians and an Irishman were walking through the woods. All of a Sudden one of the Red Indians ran up a hill to the mouth of a small Cave.

'Wooooo! Wooooo! Wooooo!' he called into the cave and listened closely Until he heard an answering, 'Wooooo! Wooooo! Wooooo!' He then tore off His clothes and ran into the cave.

The Irishman was puzzled and asked the remaining Indian what it was all About, 'Was the other Indian crazy or what?'

The Indian replied 'No, It is our custom during mating season when Indian men see cave, they holler 'Wooooo! Wooooo! Wooooo!' into the Opening. If they get an answer back, it means there's a beautiful squaw In there waiting for us.

Just then they came upon another cave. The second Indian ran up to the Cave, stopped, and hollered, 'Wooooo! Wooooo! Wooooo!' Immediately, There was the answer. 'Wooooo! Wooooo! Wooooo!' from deep inside.

He also tore off his clothes and ran into the opening.

The Irishman wandered around in the woods alone for a while, and then Spied a third large cave. As he looked in amazement at the size of the.Huge opening, he was thinking, 'Hoo, man! Look at the size of this cave!It is bigger than those the Indians found. There must be some reallyBig, fine women in this cave! He stood in front of the opening and hollered with all his mightWooooo! Wooooo! Wooooo!' Like the others, he then heard an answering Call, 'WOOOOOOOOO, WOOOOOOOOO WOOOOOOOOO!' With a gleam in his eye and a Smile on his face, he raced into the cave,tearing off his clothes as he Ran. The following day, the headline of the local newspaper Read.....
